

Mother & Baby Clinic

For Gold Coast & Tweed Coast families

JOHN FLYNN
PRIVATE HOSPITAL

Mother & Baby Clinic

The John Flynn Birth Centre has a Mother and Baby Clinic available to all Gold Coast and Tweed Coast families. The Clinic offers professional support and education for families with babies 0-6 weeks of age as well as **ongoing** advice and guidance as required. The Clinic is operated by qualified and experienced midwives / Child & Family Health nurses and lactation consultants and is situated on Level 3A.

We provide one-on-one appointments in a private and relaxed environment whilst ensuring that you receive consistency and continuity of care and advice.

John Flynn Private Hospital is Queensland's 1st Baby Friendly Hospital accredited by UNICEF and the World Health Organisation and is supportive of breast feeding.

WHAT WE DO...

Support, education and advice is provided for:

- 1. Breast feeding assistance and management**
- 2. Sleep and settling strategies**
- 3. All aspects of infant nutrition.**
- 4. Infant growth and development assessment**

MOTHER & BABY CLINIC – MISSION STATEMENT

To **EMPOWER** parents by...

- Offering education and support inspiring confidence in parents and their ability to parent.
- Giving advice in the form of options to enable parents to choose a solution to an issue suitable to their lifestyle.
- Encouraging parents to trust their parenting instincts by giving them positive reinforcement.
- Providing parents with information and access to community resources to ensure timely and ongoing support is available to them on their parenting journey.
